- KP introduced himself and discussed the background of the budgeting within HUU, his key role to ensure HUU is financially sustainable and how this includes sports clubs. Men's Rugby Union have actively set about collecting memberships and subs from members at the beginning of the year and this has had a positive impact. They have become more knowledgeable about their budgets and put themselves back into a positive position
- KP expressed the finance audit and risk committee are prepared to support groups that are willing to support themselves and take action.
